15-minute periods. The game was played
with amateur rules governing, allowing
a drib with one hand and shooting with
both at the end of the drib. The game
was rough, but not so rough as previous
games of the season have been, and in
the first period the Italian showed con-
siderable improvement in team work, but
they were weak in shooting and to this
was due principally the large difference
in the score.

The Independents while lighter than
their opponents, showed a greater knowl-
edge of the game, and after the first
period had no difficulty in playing cir-
cles around their heavier opponents.

"Dugan" of the Independents was easily
the star of the game and made a total
of 14 points, all of them from baskets
thrown from the floor.

In the first period the Italians held
their opponents down to a total of eight
points and scored four themselves, but
in the second and third periods the In-
dependents got in their passing and in-
dividual play and scored 14 points in each
period, while the Italians took six in the
second and four in the third.

SIXTEEN GO TO PRISON FOR THE HAYES DEATH

Fourteen Men Plead Guilty to the
Charge of Manslaughter.

Great Falls, Mont., Nov. 20.—Four-
teen men charged with murder in Valley
county pleaded to manslaughter and
were sentenced to various terms in
prison. The crime to which they plead-
ed guilty was an attack upon the cabin
of John Hayes and his family, which re-
sulted in the death of Hayes and his
daughter. Hayes had jumped a claim
which Walter Long had taken up, and
the settlers decided to rid the country
of "claim jumpers." They joined Long
in warning Hayes to leave the country,
and when he did not go, they went to
the cabin at midnight, shot him, though it
and attempted to set fire to it.

Sixteen persons were arrested for
the crime. Walter Long was convicted
and sentenced to 35 years' imprison-
ment; his brother, Milo, to 13 years.

TAKES METROPOLITAN ROAD FROM RECEIVERS

Judge Lacombe Orders Property Back
to Owners.

New York, Nov. 20.—In the United
States circuit court yesterday Judge
Lacombe, who, in October of 1907, ap-
pointed Adrian H. Joline and Douglas
Robinson receivers of the Metropolitan
Street Railway company, has ordered
that the receivership of the Metropolitan
be terminated at the earliest possi-
ble moment.

This means that the bondholders
must buy in the property under a
public sale, and afterward effect a re-
organization.

It is intimated that Judge Lacombe
arrived at the conclusion that it was
time for the bondholders of the prop-
erty to assume the task of conserving
their interests, and incidentally to ac-
cept whatever conclusion might follow
from adopting such a course.

In reorganizing the Metropolitan as
well as in carrying on the pending fight
over free transfers, the bondholders will
have to deal with the public service
commission.

LETTER FROM A FORTY-NINER

Could Not Obtain Relief from Catarrh
Until He Had Used Hyomei.

Here is a simple, interesting and in-
sincere letter from a rugged pioneer of 40,
who braved the dangers and hardships of
the overland trail to California. Surely
the sincerity of this letter should
strongly appeal to those who desire to
escape the bondage in which they are
now held by that ruthless and most
powerful wrecker of health and happi-
ness, catarrh.

Santa Rosa, Cal., May 5, 1908.

Booth's Hyomei Co., Buffalo, N. Y.

Dear Sirs: Some years ago I was
afflicted with catarrh, and tried a number
of remedies, but received no relief. I
was told by a friend who had been using
your Hyomei, and thought I would re-
ceive a great benefit and perhaps a cure.

I purchased an outfit, and before I had
used the bottle I noted a marked re-
lief.

I used it for a month or so, and
thought I was cured, and stopped using
it for a year or so. Through I was get-
ting catarrh again, and started using it
again, and I kept it in the house and use
it every morning once a day, and keep
myself clear of catarrh. I consider it
the best catarrh medicine that is used.
I have often recommended it to my
friends. I am 81 years old. I came to
California in 1849, and of course am not
as vigorous as I was 18 years ago. My
address is 841 4th street. Yours truly,
W. Mook.

Hyomei (pronounced High-me) is
guaranteed by The Red Cross Pharmacy,
not only for catarrh, but for grip, coughs,
colds, bronchitis, croup of infants, asth-
ma, and all diseases of the nose, throat
and lungs. A complete outfit, including
inhaler, costs only \$1.00; extra bottles
of Hyomei if afterwards needed cost
but 50 cents. Ask The Red Cross Phar-
macy about it.

MANY CHANGES IN CONGRESS

Republicans Will Have 47
Majority

THIS INCLUDES ONE IN R. I.

Several New Men Are to Fill the Vacant
Places—Sixty Republicans and
Thirty-two Democrats in
the Senate.

Washington, Nov. 20.—Clerk McDon-
ald of the House of Representatives yes-
terday issued an unofficial list of mem-
bers elected to the Sixty-first Congress,
corrected to date. There still remains
one district—the First Rhode Island—
where the result of the election has
not been settled. A recount is in pro-
gress, and at the latest report William
P. Sheffield, Republican, was 41 votes
ahead of his Democratic opponent, Dan-
iel L. D. Granger, the sitting member.
Mr. Sheffield's name is carried on the
list, and including the next House
will consist of 219 Republicans and 132
Democrats, a Republican majority of
47. When the first session of the Six-
tieth Congress closed there was a Re-
publican majority of 57, with two va-
cancies, from the First Louisiana and
Thirteenth Indiana districts. Since
then five other vacancies have occurred
and all were filled at the recent elec-
tion, as follows:

First Louisiana—Albert Estopinal,

Democrat, vice Adolph Meyer, Demo-

crat, deceased.

Thirteenth Indiana—George A. Barn-

hart, Democrat, vice Abraham L. Brick,

Republican, deceased.

Second Alabama—O. C. Wiley, Demo-

crat, vice A. A. Wiley, Democrat, de-

ceased.

Second Maine—John P. Swasey, Re-

publican, vice Charles E. Littlefield,

Republican, resigned.

Fourth Maine—Frank E. Guernsey,

Republican, vice Lewisell Powers, Re-

publican, deceased.

North Dakota (at large)—Eben W.

Markin, Republican, vice William H.

Parker, Republican, deceased.

Fourth New York—Otto G. Foelker,

Republican, vice Charles T. Dunwell,

Republican, deceased.

These changes make a total of 225

Republicans and 132 Democrats who

will sit in the final session of the Six-

tieth or present Congress—a Republi-

can majority of 57. The following

shows the gains made by the two par-

ties in the several states where changes

occurred in the total number of repre-

sentatives:

Colorado, 3 Democrats; Illinois, 1

Democrat; Indiana, 7 Democrats; Ken-

tucky, 1 Democrat; Missouri, 2 Republi-

cans; Nebraska, 2 Democrats; New

Jersey, 1 Republican; North Carolina,

3 Republicans; Ohio, 3 Democrats; Ok-

lahoma, 2 Democrats; Pennsylvania, 2

Democrats; Rhode Island, 1 Democrat;

Wisconsin, 1 Democrat.

The Senate in the Sixty-first Congress

will consist of sixty Republicans and

thirty-two Democrats, the choice of

Governor Chamberlain by the state pri-

mary in Oregon and the election of a

Democratic legislature in Indiana hav-

ing cost the majority party its two

thirds control of the Senate. Colorado,

which was expected to send a Republi-

can in place of Senator Teller, Demo-

crat, also disappointed the managers.

Their only gain was in Kentucky, where

a coalition of Republicans and half a

dozen Democrats at outs with their

party on the liquor question sent ex-

Governor W. O. Bradley, Republican, to

the Senate to succeed Senator Mc-

Creery, Democrat.

Successors to the following senators

will be elected this winter:

Allison of Iowa, Republican; Ankeny

of Washington, Republican; Brandegee

of Connecticut, Republican; Clarke of

Arkansas, Democrat; Clay of Georgia,

Democrat; Foraker of Ohio, Republican;

Fulton of Oregon, Republican; Gallin-

ger of New Hampshire, Republican;

Gary of South Carolina, Democrat; Gore

of Oklahoma, Democrat; Hansbrough

of North Dakota, Republican; Hemenway

of Indiana, Republican; Heyburn of

Idaho, Republican; Hopkins of Illinois,

Republican; Johnson of Alabama, De-

democrat; Kittredge of South Dakota,

Republican; Long of Kansas, Republi-

can; McNary of Louisiana, Democrat; Mil-

lton of Florida, Democrat; Overman of

North Carolina, Democrat; Penrose of

Pennsylvania, Republican; Perkins of

California, Republican; Platt of New

York, Republican; Smoot of Utah, Re-

publican; Stephen of Wisconsin, Re-

publican; Stone of Missouri, Democrat;

and Teller of Colorado, Democrat.

Either by primary or indorsement of

party conventions these states have in-

directed the successful candidates: Iowa,

Governor A. B. Cummins; Oregon, Gov-

ernor G. E. Chamberlain; Oklahoma,

Thomas P. Gore; North Dakota, Martin

M. Johnson; Illinois, Albert J. Hop-

kins; Kansas, Joseph L. Bristow;

Florida, D. U. Fletcher; Colorado, C. J.

Hurd.

Senators W. P. Dillingham of Ver-

mont and J. W. Smith of Maryland

have already been elected to succeed

themselves for the term beginning

March 4 next. The Vermont legislature

has also elected ex-Governor Carroll S.

PAGE to fill out the term of Hon. Red-

ford Proctor, deceased, expiring March

3, 1911.

RESUMPTION OF WAR TAX ON BEER

Treasury Department Is Becoming An-

xious About That Deficit.

Washington, Nov. 20.—In order to

raise more revenue and guard against a

huge deficit, the treasury department is

considering recommending resumption of

the war tax on beer and patent medi-

cine.

The recommendation, which is likely

to be made, will be used by high tariff

men to oppose tariff reductions. In some

quarters it is considered the treasury

department's object is to prevent ma-

terial tariff reductions by this recom-

mendation.

PINCHOT FOR THE CABINET

He Will be Secretary of Agri-
culture

ANNOUNCEMENT IS MADE

In Washington—Price Will Succeed Him
as Chief Forester—Public Health
Bureau to Be Suggested by
Roosevelt.

Washington, Nov. 20.—President-elect
Taft has picked one man for his cabi-
net, Gifford Pinchot, who is now the
United States forester, will be secretary
of agriculture under the new adminis-
tration. Overton W. Price, who is now
the assistant forester, will succeed Mr.
Pinchot as the head of the forest ser-
vice. Mr. Roosevelt would like to have
put Mr. Pinchot at the head of the
department of agriculture, but the ser-
vice of James Wilson were so satisfactory
that the change could not well be
made. Mr. Wilson, when he retires, will
have served as secretary of agriculture
twelve years. Pinchot is the originator
of the government's new forest policy,
and from the first has been the moving
spirit behind the movement for the con-
servation of the country's resources. He
is a very wealthy man.

President Roosevelt is expected to sug-
gest to Congress the institution of a new
bureau to deal exclusively with the pub-
lic health, to be attached to the depart-
ment of the interior, rather than ad-
vocate a new cabinet office.

A TEXAS COUNTY ALL FOR TAFT.

Zapata Cast Unanimous Vote of 424 for
Republican.

Washington, Nov. 20.—Good news as
to the result of the presidential election
in Zapata county, Tex., has been brought
to Washington by Colonel Cecil A. Lyon,
Republican national committeeman from
the Lone Star state. "There are 424
qualified voters in Zapata county," said
Col. Lyon. "All of them cast their bal-
lots for Mr. Taft. Zapata is the only
county in the United States that went
unanimously for the Republican candi-
date." Zapata county is in the extreme
southwestern corner of Texas. It is on
the Mexican border. Zapata is inhabited
by native-born Americans and Mexicans.

FORGER TO JOLIET.

Van Vliessen, Begins Serving Prison
Sentence.

Chicago, Nov. 20.—Peter Van Vliessen,
real estate broker and convicted
forger, left Chicago yesterday for Joliet
to take up his indeterminate sentence
of from one to fourteen years in the
Illinois penitentiary. Fearing an at-
tempt at suicide, Sheriff Strassheim ac-
companied the prisoner, and will stay
with him until he is safely lodged be-
hind the prison bars. Van Vliessen
seemed to be the least troubled of the
party and remarked:

"At least I shall be through with all
this."

Surrounded on all sides by eager faces,
which peered curiously at him, and amid
the clicking of numerous cameras, the
forger was brought forth into the
street and placed in an omnibus. He
kept a handkerchief over his face con-
stantly to balk the photographers.

Hat Pins made out of Real Roses

Real Rose Hat Pins

It does not seem possible, yet it is true,
that these Hat Pins are made out of real
live roses, changed entirely into metal
by a secret process, preserving every de-
tail of the rose from which each pin is
made. They can not break, and are
forever. This discovery is without
doubt one of the lost arts of the
